

Witches, Vampires, and Ghouls

What about the evil parts of Halloween?

Further Discussion: *What's up with VAMPIRES?*

Many of the things that are celebrated during Halloween are in direct opposition to God's ways. People can claim that these things are celebrated just in fun, and that they are not inherently evil. As Christians, though, we need to be thinking, evaluating, and comparing everything to God's standard of truth.

In this discussion, I want to take a closer look at how vampires compare with our Savior, Jesus Christ. In the comparison, we can begin to see that we cannot celebrate both Jesus Christ and vampires because they are complete opposites. We also begin to see how evil vampires are when we compare them to the beauty of our Savior.

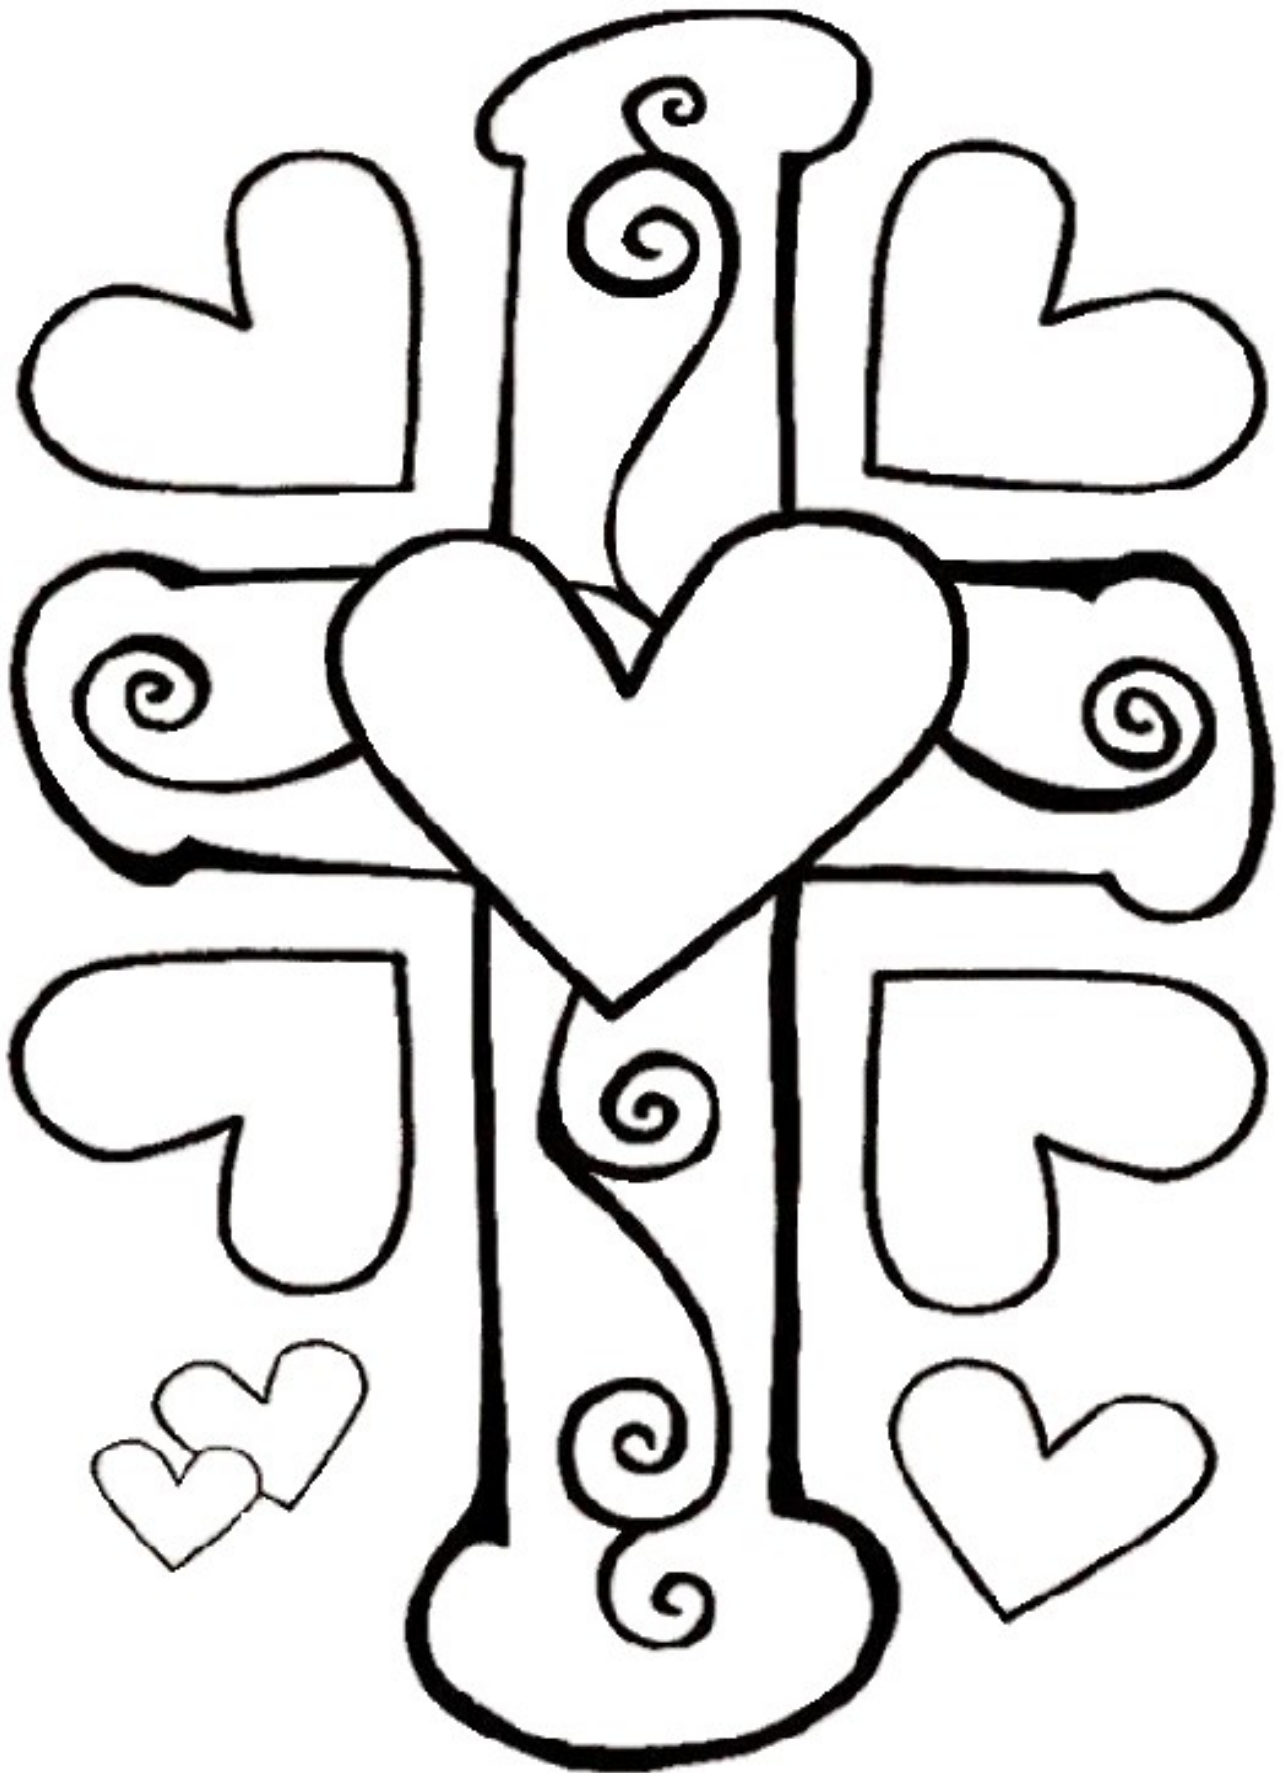

For the sake of time, we will only be looking at vampires here. But, this type of comparison could also be applied to many other aspects of Halloween and may help you and your family to decide which aspects of Halloween are innocent fun, and which aspects of Halloween you should turn away from.

Do you know what vampires do? (If you do not know the answer to this question, just skip it. Please do not go looking for this information.) _____
